

ARE YOU READY TO WRITE YOUR OWN SUCCESS STORY?

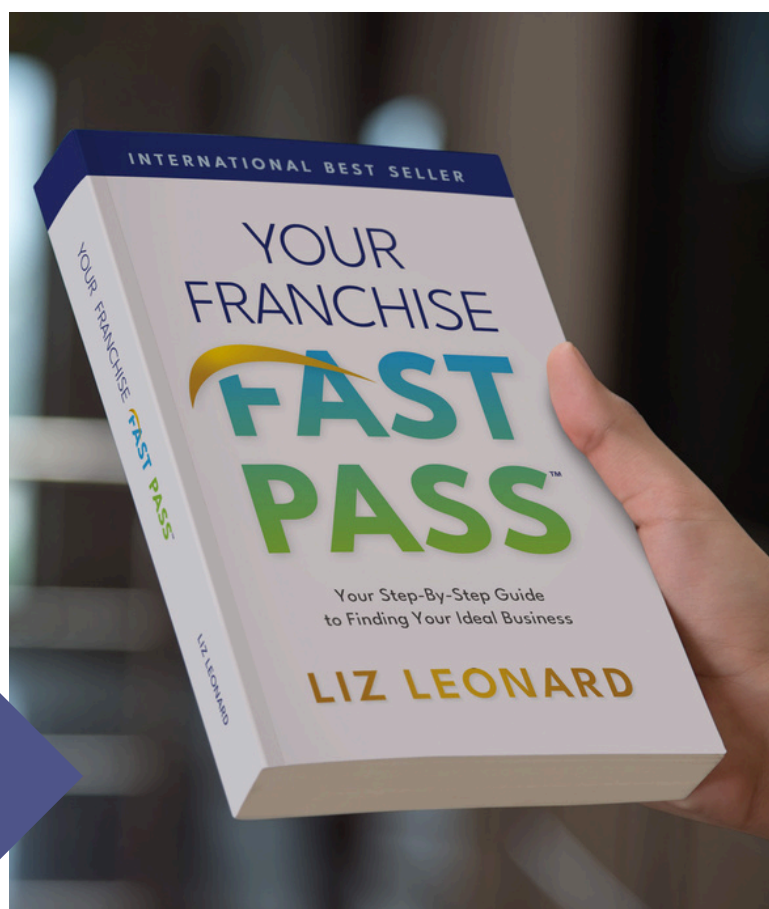

Over 10% of new businesses in the USA are franchises, with owners from all walks of life fulfilling their dreams of finally achieving financial and time freedom. Why franchises? Because they offer plug-and-play recipes with success baked in, thanks to tried-and-tested systems even first-time business owners can easily (and profitably) follow.

Franchise Advisor Liz Leonard has packed her two decades of franchise experience into ***Your Franchise Fast Pass: Your Step-By-Step Guide to Finding Your Ideal Business***. It's the ultimate playbook for anyone curious about becoming a franchisee, going behind the scenes of the country's biggest, smallest, and everything-in-between franchise opportunities.

GET THE INSIDE SCOOP ON:

- *Who can afford to open a franchise (you'd be surprised)*
- *What industry is the best fit for your goals*
- *Where to start, without any of the new business overwhelm*
- *What it's REALLY like to be a franchisee, as told by franchise owners themselves*
- *How to fund your franchise (without digging into your kid's college savings)*
- *...plus tons of valuable resources to start your franchise journey on the right foot.*

Your Franchise Fast Pass™ is more than just another business book—it's a no-nonsense handbook essential for anyone considering the wonderful world of franchising.

LIZ LEONARD is a noted Franchise Advisor, speaker, and owner of multiple businesses. After leaving corporate America, Liz founded and sold a successful business before pivoting to franchise ownership. She started her franchise advisory business in 2014 and has spent the last decade helping others find the perfect franchise match for their lifestyle and personality that will build their wealth while achieving entrepreneurial success.
